

ATTN: Artists of All Ages!

Smiles for Jake is now accepting
artwork for a special project!

What makes you smile? Whether it's a pet, person, or park... we want to see the things that bring you joy. Share your art with us so we can share it with others!

As part of our SMILE Program, printed notecards will feature the work of local artists. These notecards will then be used by local mental health providers, school leaders, and "SMILE advocates" as they work with children, adults, and families throughout our area.

- Art can use any medium (pencil, chalk, crayon, watercolor, acrylic, digital, etc.) but submissions will only be accepted in an electronic format (each attachment should be less than 5MB).
- Limit of three submissions per person/email address.
- Submissions are due by 10PM CST on Sunday, November 14.
- All entries will be featured on Smiles for Jake social media and website.
- Final printed notecards will feature artist's name.

Six works of art will be selected and announced by Friday, November 19!

For more details and to submit your artwork visit:
